NEW AND UPCOMING RELEASES THAT HAVE GOT THE CLASSIC POP TEAM TALKING

STEVE HARNELL

1 MAGIC - A JOURNAL OF SONG

PAUL WELLER WITH DYLAN JONES
An essential purchase for fans of the Modfather, this compendium features over 100 song lyrics from across Weller's career plus insights from the great man himself, photoshoot outtakes, memorabilia and more. In effect,

Beads, Things & Flowers, which was previously only available as a DJ special on acetate.

2 EYE-D - PORTRAITS BY ANNA GABRIEL

They say the eyes are the windows to the soul and with that in mind, Peter Gabriel's daughter Anna has compiled this unusual take on the traditional celebrity portrait that hones in exclusively on her subject's peepers. Her dad's in there, of course, but also included are the starry [eyed] likes of Annie Lennox, Debbie Harry, Paul Simon, Noel Gallagher and David Byrne among others as well as Anna's recollections of the celebs.

essay from award-winning author Daniel Rachel, as well as personal memorabilia and previously unseen photos. Also out the same day, Demon release a limited edition SLP colour vinyl collection featuring the band's eponymous debut album plus *Moseley Shoals* and *Marchin' Already*.

3 OCEAN COLOUR SCENE YESTERDAY
